UltraSide Vinyl Siding

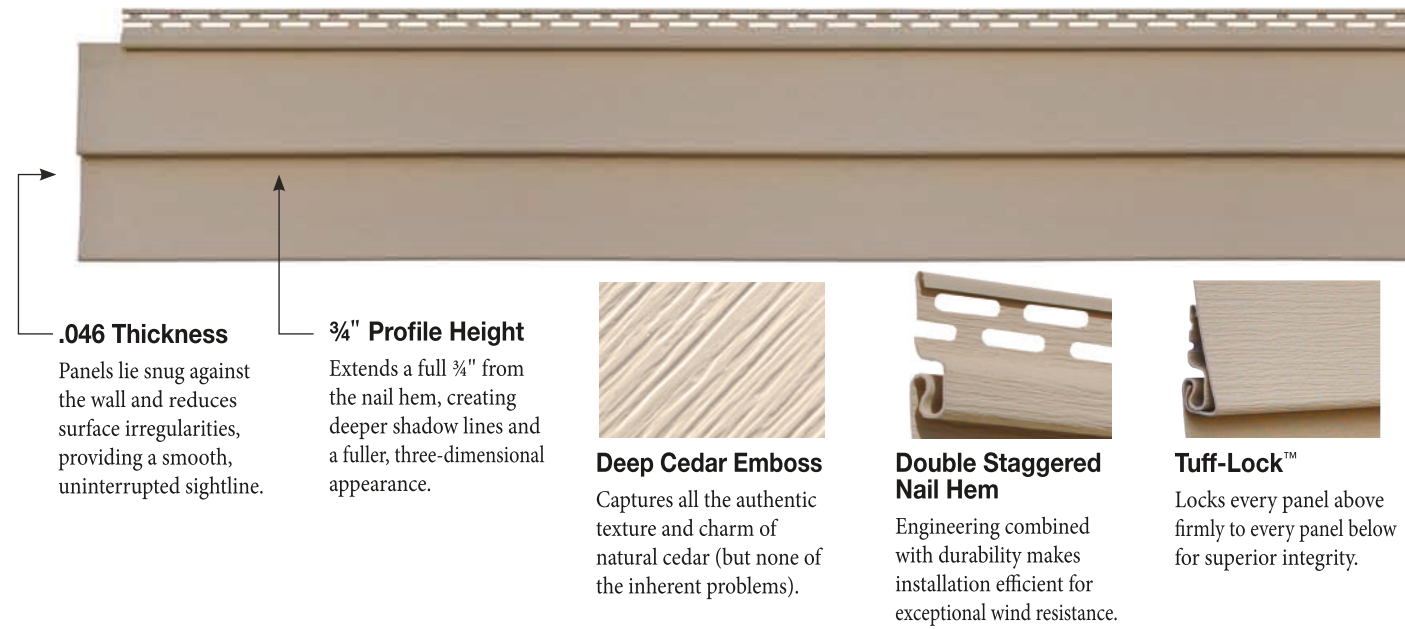

Strength. Design. Performance.

Splendor and Substance

UltraSide holds the promise of elegance and performance. UltraSide provides the ultimate in strength and durability for protection, and beauty that endures. You'll be coming home to the best when you come home to UltraSide.

Product Features:

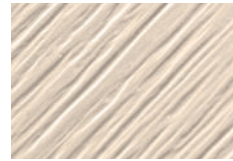

.046 Thickness

Panels lie snug against the wall and reduces surface irregularities, providing a smooth, uninterrupted sightline.

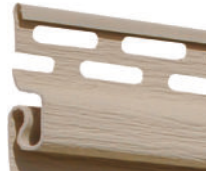

¾" Profile Height

Extends a full ¾" from the nail hem, creating deeper shadow lines and a fuller, three-dimensional appearance.

Deep Cedar Emboss

Captures all the authentic texture and charm of natural cedar (but none of the inherent problems).

Double Staggered Nail Hem

Engineering combined with durability makes installation efficient for exceptional wind resistance.

Tuff-Lock™

Locks every panel above firmly to every panel below for superior integrity.

UltraSide vinyl siding

Strength. Design. Performance.

Style:

- Distinctly elegant; impressively textured
- Full color palettes offers 25 stylish color choices

Performance:

- Enhanced .046 panel is engineered to be exceptionally rigid and straight
- Double staggered nail hem provides twice the nailing surface of standard siding
- ¾" bottom lap – 20 percent larger than standard siding – for the ultimate in locking integrity
- Panels resist dents, scratches and hail damage
- Our Armor Coat™ system protects your color against the sun's intense rays, providing years of enjoyment ~

Environment:

- Vinyl Siding is 100% recyclable
- Home Innovation – NGBS Green Certified

~Level of Armor Coat™ depends on level of protection.

Quality:

- Meets or exceeds industry standards for ASTM D3679
- Meets VSI standards for product and color
- Produced using strict adherence to manufacturing and quality standards

Maintenance:

- Limited Lifetime Warranty
- Easy care convenience
- Never needs painted or refinished

Production:

- Made in the U.S.A.
